Dear Parent/Carer,

RE: Year 11 GCSE PE Equipment

Your child is now in their final year of GCSE PE and no doubt the remaining time with us will fly by! A reminder that your child needs to be practicing (and ideally competing) in 3 sports as part of their GSCE. Each child will soon have a meeting with their teacher to finalise what their 3 sports will be. A list of potential sports and the associated assessment criteria can be found on their GCSE PE channel of Microsoft Teams. Please remember at least one must be an individual sport and at least one must be a team sport.

The autumn sports club timetables for lunch and afterschool is now displayed in numerous places including on Facebook and Microsoft Teams. These are valuable opportunities for your child to advance their skills and we are expecting them to attend the relevant clubs- well done to those who are already attending! To support your child, we are requesting the following resources are purchased as soon as possible. These have been discussed previously so you may have already purchased them.

Revision Guide CGP GCSE OCR Physical Education for the Grade 9-1 Course. (ISBN 9781789083200)

This guide is available from the school finance office for the discounted price of £3.15. Please note, if you choose to buy a copy from elsewhere, please ensure it is for the **OCR** exam board. There are other OCR specific revision resources available. Please ask if you would like more information.

A4 Ring-binder

This is needed to store their work. Plain black ring-binders are available from the Finance Office for £1.

Composite/carbon badminton racket

If your child is using badminton as one of their 3 sports we would recommend they purchase their own racket which are available from sports shops/websites and cost from £15 upwards. Aluminium rackets should be avoided.

Homework

Your child will now be set fortnightly definitions tests to revise for. They will shortly be provided with their GCSE GLOSSARY OF TERMS BOOKLET to do this. Additionally, an electronic copy will also be provided via Microsoft Teams. These tests will run through the entire academic year, so you can always be confident your child has homework they can complete. It is also very easy to support them with this work, as you can use the booklet to test them on each of the five definitions they expected to learn each fortnight.

Should you have any further questions, please do not hesitate to contact your child's GCSE PE teacher. Thank you in advance for your support.

Yours sincerely

Mr Owen
Head of Physical Education
