Companies with Apprenticeships. How to Find an Apprenticeship

Foundation Apprenticeships

Offer young people a fantastic entry route into employment! These fully employed positions last around eight months and provide a blend of employability skills, technical knowledge, & essential English & maths.

- Typical progression: Employment or further training like Level 2 or Level 3 apprenticeships.
- Employers can receive up to £2,000 per apprentice, subject to retention & progression.
- Students without grade 4 GCSE Maths/ English continue to study, but won't be required to sit exams.

Article The 7 foundation apprenticeships

Careers Advice

Your child is legally entitled to a careers guidance meeting in school (with a Careers Adviser with a professional careers guidance qualification of Level 6 or above) this is usually arranged prior to Christmas in Year 11. However, if you or your child would like further support, please do contact the school's careers adviser, contact details will be on the school's website in the careers section. You can also contact a National Careers Service careers adviser on 0800 100 900 8am to 8pm weekdays or 10am to 5pm Saturdays or use webchat to talk online.
