Dear Parents and Carers,

RE: Wadham School Open Evening – Thursday 25th September 5.00-7.00pm

I hope this letter finds you well. As Headteacher at Wadham School I am privileged to lead an amazing staff and student community, and immensely proud of our achievements over the last three years in raising aspirations, developing resilience and improving outcomes.

***"The school is an orderly environment within which pupils feel safe.
Pupils are appreciative of the open and inclusive culture."***

(Local Authority Visits – Summer 2024)

I extend a warm welcome and invitation to all Year 6 students and their parents to learn more at our Open Evening on Thursday 25th September, 5.00-7.00pm.

Our mission at Wadham is simple: to provide a safe and happy environment in which everyone can learn, grow, and achieve. With Christ as our guide, all members of our community are empowered to develop strong and trusting relationships so that no one is lost, forgotten, or left behind.

"Pupils enjoy a range of activities beyond the academic curriculum. These include the annual activities week, sporting clubs and the chance to write for the pupil led newspaper, 'The Quill'."

(Ofsted – Spring 2025)

Daily life at Wadham School is magical because of the people in it. Staff go the extra mile because every child has the right to a quality education and because we do not accept barriers they may experience elsewhere in their lives as a ceiling of what they can achieve.

I am also delighted that significant investment in the school buildings and facilities, as part of the educational restructure in the local area, remains ongoing and will ensure that students continue to complete their learning in a truly fit-for-purpose environment. It is no less than they deserve.

These are exciting times for our future, and I very much invite you to be part of it. I look forward to meeting you at our Open Evening on Thursday 25th September.

Yours faithfully,

Richard Burgas
