Re: GCSE Art and Photography Supplies Packs

To support the learning and progress of your young person this year, the Art and Photography department have carefully collated a pack of materials for both subjects.

The packs will provide students with the essential materials they will need throughout the course, both in school and for homework tasks. Having their own set of high-quality resources will ensure consistency in their work and allow them to practise techniques independently.

The packs vary slightly, but for the Artist's this includes the following equipment:

A2 plastic folder to store all coursework & exam work.
A3 size sketchbook
Set of watercolour paints
Set of oil pastels
Set of colouring pencils
Set of drawing pencils
2 x size 4 & 6 paint brush
A metal pencil sharpener
A glue stick
An eraser
A black fine liner

The Photographers equipment includes:

A2 plastic folder to store all coursework & exam work.
A4 sketchbook
A white gel pen
A black fine liner
A mixed set of sketching pencils
A metal pencil sharpener
A glue stick
An eraser

The cost of the **Art pack** is **£ 18.00**

The cost of the **Photography pack** is **£ 10.00**

Memory cards (32G) can be purchased in addition to the packs for **£13.00**

To purchase either pack or a memory card please use your iPayimpact account. Please note that purchasing the items listed is optional and they can also be sourced elsewhere if you wish.
