Dear Parents and Carers,

## **RE: National Manufacturing Day – a Curriculum and Careers trip to Numatic**

National Manufacturing Day (NMD) is a National event which showcases the career opportunities that modern manufacturing has to offer and allow young learners to get a real "behind the scenes" look at the industry.

Numatic, Chard has invited a group of Wadham students to visit their company. "We open our large manufacturing site to showcase our Henry brand and our commercial range. The visit will include a presentation of who we are, our manufacturing methods and our expansion. Plus a visit around our factory, a STEM task which involves building a Henry from scratch and a look around our showroom and small museum". We would like to offer this trip to some of our Year 11 Design and Technology students, but places are limited to 12.

This visit is being planned in conjunction with Make UK.

Location: Numatic, Chard

Date: 25<sup>th</sup> September 2025

Time: 09:30 – 12:00 (We will be departing school soon after 8:45am and returning for most of period 4)

Transport: Minibus or staff car

Uniform: Normal School Uniform

We would like to invite your child to attend as a Wadham School representative for the event.
