"Life in all its fullness" John 10:10

17th December 2025

Dear Parent/Guardian,

Bookbuzz Feedback

We hope that your child(ren) thoroughly enjoyed receiving their free Bookbuzz book at the beginning of December. This was the first year that we have run the Bookbuzz programme here at Wadham, and we are delighted to have been able to offer every Year 7 student the opportunity to choose and receive a book of their own.

As this is our first year taking part, we are very keen to gather feedback from parents and guardians about how successful you feel the scheme has been. Your thoughts will help us understand how engaging and beneficial the initiative has been for students, and they will also guide our decisions about how we can improve or expand the programme in future years.

Please could spare just a couple of minutes to complete a short questionnaire, with your child, (hyperlink and QR code below). Your responses will be anonymous, and the survey should take no more than a few minutes to complete.

Further feedback once the books have been read would be very much appreciated. Any child completing a book review, about their Bookbuzz book, by the end of January, will be entered into a draw for prizes and the chance to win a further book!

The best reviews will also be featured in our school magazine 'The Quill'. A template is attached as a guide.

A good book review includes the title and author of the book, a synopsis (what the book is about- no spoilers!) and why you would recommend the book.

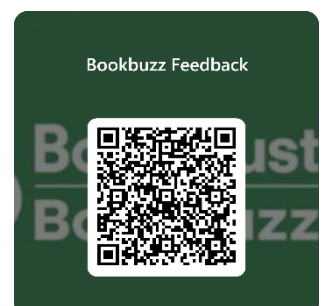

You could also include:

- The type of book (mystery, comic, historical fiction, fantasy, folktale, fable, legend, biography, science fiction, realistic fiction, etc)
- Which kind of audience may enjoy this book
- Mention how you reacted to different parts of the book
- Introduce the main character or other characters
- Select an interesting excerpt from the story to share— it could be a funny, sad or tense part

Thank you in advance for your time and support, and for helping us continue to promote a love of reading across our school community.

Yours sincerely,

Mrs George
