Our Vision

“Life in all its fullness.” John 10:10

We believe that everyone deserves to experience life in all its fullness and should be given the opportunities and support to do so — this is what makes our job as educators so fulfilling.

Wadham School will endeavour to grow our students so they go on to experience love, fulfilment and be part of a safe and secure community in an ever-changing world. This will be the result of exceptional school provision, equally weighted between outstanding academic achievement and individual personal development.

Extra-Curricular Activities offer young people the chance to have varying experiences in their life as they build their character with direction, motivation and resilience. Time spent at Wadham school will enable our students to grow into confident, knowledgeable and caring citizens, ready to cope with the demands of life post 16. Please see the details in this booklet of all of the opportunities Wadham School will provide as we move into the final part of our school year.

If we can help and support you in any way when making choices concerning the opportunities outlined in this booklet then please be in contact with your son/daughters tutor in the first instance.

The deadline for completing the online choice form and payment of deposit (or full payment) is Wednesday 1st March.

**Payment plans then require two further payments :
