Homework Guide for Parents and Carers

Sparx Maths

Sparx Maths personalises practice to each student's ability, with additional support such as videos and times table activities, helping consolidate key topics through retrieval.

Sparx Reader

Sparx Reader develops reading skills through a wide variety of books and personalised tasks. Students are expected to complete 300 points (around 30 minutes of reading). Ultimately, our goal is for all students to become *Gold Readers*, enjoying physical books of their own choice while recording their reading on Sparx.

Seneca

Most departments use *Magic Quizzes* on Seneca, which use AI to create personalised quizzes from our own resources. Students read key information, then complete retrieval questions aligned to our curriculum.

Active Learn

Used by the Languages department. It provides retrieval activities and, for Languages, valuable listening practice.

Microsoft Teams

Used for subject-specific and individualised homework, particularly at GCSE and A-level. For example, creative subjects often use Teams to share checklists to support independent project work.
