

Academic Learning Journey - Key Stage 3 and Key Stage 4
MFL: German

Intent : Our MFL curriculum aims to develop the knowledge, skills and understanding required for students to become effective, global communicators, through the acquisition of key vocabulary, grammar and phonics, continual practice of the four key skills (listening, speaking, reading and writing) and the development of a deeper understanding of, and appreciation for, other cultures. Furthermore, we intend for students to be prepared for further language study and to recognise the advantages of learning other languages.
