Dear Parents / Guardians.

Re: Summer Trips 2026 updated

Each year we look to give opportunities for our young people to have experiences out of the classroom. At the end of the Summer Term our Year 11 students have departed after exams, Year 10 students go off on their Work Experience and the remainder of the school engages in Activities Week.

By outlining all the opportunities in this letter, parents and carers are being made aware of the full menu so that in this first instance we can gauge the interest on only two trips.

We are excited to be offering our **London Experience** again and adding to it the superb overseas trip to **Germany**.

Places need to be booked for London and Germany by the end of September, to secure hotels and transport at a lower cost, so we ask if you are **interested** in these trips, please can you register this on the form below.

The menu of activities for the final week of term is outlined below with rough costings at this time, so that you can make an informed choice.
